

Pitch Speakers & Partners Wanted !

HVC KYOTO 2021

Organisers

What is
HVC KYOTO?

Healthcare Venture Conference KYOTO (HVC KYOTO) is one of Japan's largest **English pitch and partnering events** specializing in health care which provides opportunities for new innovations. Since its start in 2016 with support from municipalities, universities, industrial support organizations, and partners such as VCs and manufacturing companies, JETRO, Kyoto prefecture, Kyoto city, and Kyoto Research Park Corporation have been holding the event every year. In 2020, **26 people from 7 countries** pitched and had individual meetings with partners. (60 cases arranged) This year, the event will be held on **2nd July (Friday)**. We are looking forward to your participation!

Date : July 2nd, 2021 (Friday) Start: 9:30 JST (Open: 9:00 JST)
Venue : Bldg. 4, Kyoto Research Park (93, Chudoji Awata-cho, Shimogyo-ku, Kyoto) + ONLINE
Number of participants : Approx. 300 people (Only relevant parties invited to the venue)
Contents : Pitch sessions, keynote speeches, individual meetings, exhibition, networking, etc.
Admission : Free of charge (Advance application required.)
Fee : *Applications for general participants are scheduled for early June.)
Language : English (Simultaneous interpretation partially available)

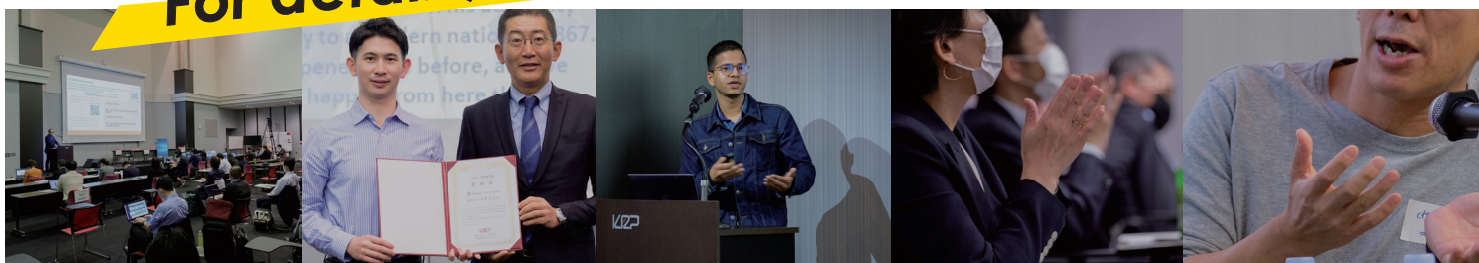

Pharmaceutical companies,
Medical device manufacturers,
VCs, Institutional investors

Researchers /
Entrepreneurs

We are now looking for

PITCH SPEAKERS and **PARTNERS!**

For details, see the back of the flyer!

Accepting Applications!

Innovative Researchers / Startups

You will get support on how to make English pitches and video production from internationally experienced professionals in the pre-mentoring. On the day of the event, in addition to open mentoring following each pitch, we will prepare programs that will contribute to financing, business tie-up, and recruiting human resources such as individual meetings with partners and exhibition. The number of HVC alumni is 91 people in total, and they have succeeded in raising a cumulative total of approximately *8.6 billion yen! (*As of January 2021 based on public information only for domestic companies)

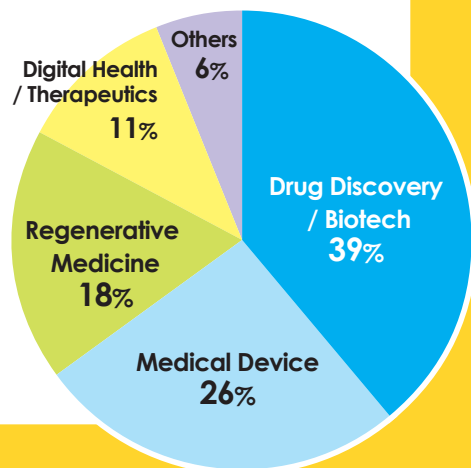

How to Apply

Access the website from the QR code on the left and request the application form. Fill in the required items on the form and send it to the HVC KYOTO office by e-mail by **5 April 2021 (Monday)**.
